Life is Precious

Every day thousands of women have abortions because they feel they have no other choice. Our culture has encouraged the exercise of this constitutional right since 1973 Roe vs Wade.

Most women deep down wish there was another way.

Can the Church make a difference?

Partnering with Pregnancy Resource Center East you can! We work with clients on an individual basis to meet their needs, to share the gospel, and options that will allow them to choose life for their unborn child.

We help in preventing unwanted pregnancies by educating youth to save sex for marriage. We offer help with healing and forgiveness through post abortion Bible Study.

We are making a difference in our community, one heart at a time. Volunteers are always needed, whatever your talents and time you can have an impact.

We serve all women freely and do not receive government funds; PRCE depends on the Church and community for funding. Your financial support will allow us to continue to reach mothers, babies, and families.

“The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’

Matthew 25:40
